

NOVEMBER NEWSLETTER

2024

Home Updates

Happy November Everyone!
We will be hosting a Christmas bake sale on November 14th from 10:00-2:00 or until supplies last. We would love for you to stop by and support resident council! All funds made from the bake sale go directly to the resident council fund which helps pay for any added activities or events that the residents are interested in. If anyone is interested in attending the Christmas dinner at the home on December 4th, please reach out by November 22nd so we can plan accordingly.

We will be doing our annual food drive this year. It will run from December 9th-20th.

An early reminder with Christmas fast approaching that we would love if you could provide your loved one with two gifts for Christmas. We do gift openings on Christmas Eve as well as Christmas Day. I understand that these times can be difficult, the items do not have to be significant, just something to unwrap. We will do our best to fill any gaps that there may be. We appreciate your dedication and love.
